

IDWS 2024

Innovation Driven Water Sustainability

Call for Outline Paper:

You are asked to submit an outline paper on one or more of the conference themes, whether you intend to give an oral or poster presentation. The maximum length of your outline paper is to be 2 pages (A4) of text, figures, tables and references.

All submissions must include:

- A title that clearly expresses the subject of the paper
- All authors' names and affiliations
- Contact information (name, designation, email address, postal address, and phone number) of corresponding author
- Type of presentation (oral or poster presentation)
- Theme of your presentation
- Short abstract summarising, which should not exceed more than 10 lines
- No more than two A4 pages of an outline paper that must contain adequate information to allow a sound review: an introduction, concise details of methods and results, and conclusions

To be accepted for IDWS 2024 conference, submissions must report work that is novel, correct, well described, and be of interest to conference participants. Submissions must contain original data and meet international ethical standards. Selection criteria include high technical quality, relevance to the conference themes, and significant informative content.
